the routledge companion to digital humanities and art history offers a broad survey of cutting edge intersections between digital technologies and the study of art history museum practices and cultural heritage the volume focuses not only on new computational tools that have been developed for the study of artworks and their histories but also debates the disciplinary opportunities and challenges that have emerged in response to the use of digital resources and

methodologies chapters cover a wide range of technical and conceptual themes that define the current state of the field and outline strategies for future development this book offers a timely perspective on trans disciplinary developments that are reshaping art historical research conservation and teaching this book will be of interest to scholars in art history historical theory method and historiography and research methods in education

art historians have been facing the challenge even from before the advent of globalization of writing for an international audience and translating their own work into a foreign language whether forced by exile voluntary migration or simply in order to reach wider audiences migrating histories of art aims to study the biographical and academic impact of these self translations and how the adoption and processing of foreign language texts and their corresponding methodologies have been fundamental to the disciplinary discourse of art history while often creating distinctly multifaceted personal biographies and establishing an international disciplinary discourse self translation also fosters the creation of instances of linguistic and methodological hegemony

essays in this volume emphasize questions of transcultural encounters and exchanges as circulations and provide an overview of current research on issues of circulation in relation to global art history and the globalization of art past and present they offer a variety of approaches to the treatment of different periods regions and objects surveying both questions of historiography and methodology and presenting individual case studies
